- ❖ Who are the best buyers and how you find them!
- ❖ What is the critical step-by-step process that you must follow to get premium value!
- ❖ How you must negotiate so you keep the highest possible amount after taxes!

The Workshop provides the knowledge to allow you to control events and to manage the most successful outcome possible by:

- ❖ Positioning and Presenting your Company in a manner that clearly demonstrates its full strategic potential.

A Workshop Developed by LEXBRIDGE M&A

Professional and Experienced Workshop Leader

The Workshop will be led by Morton L. Hodin who, with over 30 years of business experience in high tech, publishing, finance and real estate, has seen deal making from both sides of the table. He has sold three successful businesses of his own and for the last 10 years has represented dozens of business owners in the succession and sale of their companies. Mr. Hodin uses his multitude of specific experiences to help illustrate key points.

Innovative Trigger Videos

The workshops also utilize innovative situational videos to present, interactively, the many conflicting and emotional issues encountered in the sale of a business.
